GLOBALSCOPE  
INTERNATIONAL M&A ADVISORS

Osprey Capital Partners Inc. is a Registered Canadian Exempt Market Dealer

Founded in 1998, Osprey Capital has become one of Canada's leading independent mid-market investment banking and financial advisory firms.

Our Partners have extensive investment banking experience, many having worked at some of North America's preeminent financial institutions, and have completed numerous financing and M&A transactions.

Osprey Capital maintains relationships with over 700 strategic, venture, private equity, debt and institutional investors to tailor each transaction to the demands and expectations of our clients.

Firm's Canadian presence is bolstered by our active participation in Globalscope, a leading international group of corporate finance and business advisers operating to support clients in cross-border transactions.

Active relationships with members broadens our deep sector knowledge and provides access to a wide source of buyers & investors globally. This allows us to further optimise options and outcomes for our clients.
